Key Benefits

### Stunning Atmosphere

*Optimyst® delivers a world class electric fireplace experience that flawlessly imitates true flames and smoke.*

### Clean & Sustainable

*Optimyst Cassette requires no fuel or venting as it runs on water and electricity.*

### Limitless Installation

*With endless possibilities, build the ideal fireplace in any location, bringing your dream design to life.*

### Modular Design

Connect multiple cassettes together to achieve the desired length or design for custom installations impossible to accomplish with gas fires.

### Adaptable Flame Shape

Includes spacers and slots for customizable flame width and pattern.

### Continuous Water Supply

Designed to connect to main water line providing continuous operation. Accessory plumbing kit is available.

### Customizable Ember Bed

Create any look you desire by adding your favorite ember bed to the included tray (ember bed not included). Optional inner glow log set also available.

Featuring **Optimyst** technology.

The world's most realistic 3D electric flame effect, patented by Dimplex. This unique flame effect is generated by an innovative combination of water vapor and light.

### Sight and Sound Remote

Control the flames and sound at the touch of a button.
